Neurodiversity Celebration Week

16th - 22nd March, 2026

Dear Parents, Carers and Students,

Celebrating Neurodiversity Week

A School Community That Thrives Through Difference

This week offered a meaningful opportunity for us to pause, reflect, and celebrate the many ways our minds work. Neurodiversity Week highlighted that creativity, focus, problem-solving, communication, and learning all take wonderfully varied forms — and our school community is richer and stronger because of these differences. Through conversations, shared stories, and moments of learning, we reaffirmed the importance of recognising individual strengths while continuing to challenge the barriers that some still face.

Across the week, students explored what genuine inclusion looks like in practice. They shared thoughtful ideas about how to create environments where everyone feels understood, supported, and empowered to contribute in ways that feel authentic to them.

On Monday, we will be holding our SEN Information Evening, with presentations from Miss O'Leary and Mrs Sisson at 4.15pm and 5.15pm. Staff and external agencies will be available to speak with families and offer guidance on the support available. Invitations have been emailed with booking details, and further information is available from Rachel Hall at SENCo@johnportspencer.org.uk.

An inclusive community has also been at the heart of the work undertaken by our Year 12 students in partnership with Bold Voices. Through weekly discussions, research, and advocacy, they have been exploring gender equality and challenging misogyny. By gathering insights from staff and students, reflecting with school leaders, and developing resources to address gender stereotypes in subject choices, they are making a significant contribution to our community. More on their work can be found later in the newsletter.

Alongside our focus on inclusivity, this week has also been another heartwarming showcase of our values in action. From charity initiatives to computer coding achievements to sporting success, our students continue to impress with their positive attitudes, enthusiasm for learning, and willingness to embrace a wide range of extra-curricular opportunities.

With just one week remaining of this short half term, we encourage all students to stay focused, give their best effort, and finish the term with pride and momentum.

Miss O'Leary
Principal

Key Dates

Term Dates:

Half Term 4 - 23rd February 2026 - 27th March 2026
Half Term 5 - 13th April 2026 - 22nd May 2026
Half Term 6 - 1st June 2026 - 23rd July 2026

INSET Days:

26th June 2026

March/April:

School Events:

Monday 23rd March	Year 11 & Year 13 Group Photographs
Monday 23rd March	SEN Information Evening
Tuesday 24th March	A Level Drama Practical Exam
Tuesday 24th March	Year 9 Booster Vaccinations

Easter Egg Charity Collection

Our Post 16 students are collecting Easter eggs in support of their link charity, YMCA. We have a **target of 100 eggs to collect**, but we're eager to 'eggceed' this! If anybody would like to donate an Easter egg to support our collection, please bring them to main reception or students can bring them to Mr Barker's office in the centre of the Post 16 block. Below is a promotional video from the YMCA, showcasing their tremendous work and the Easter egg collection initiative.

Joy

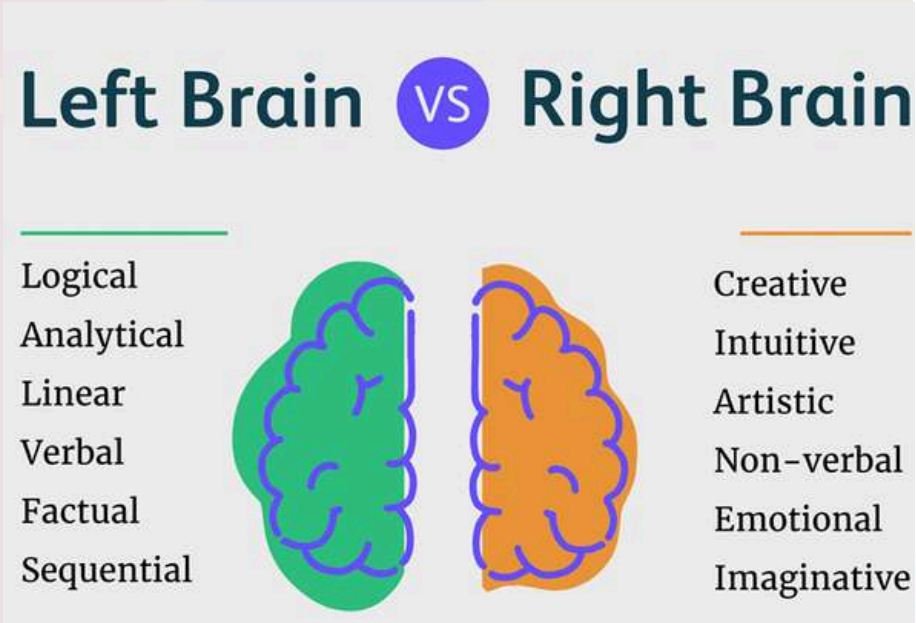

Neurodiversity Celebration Week

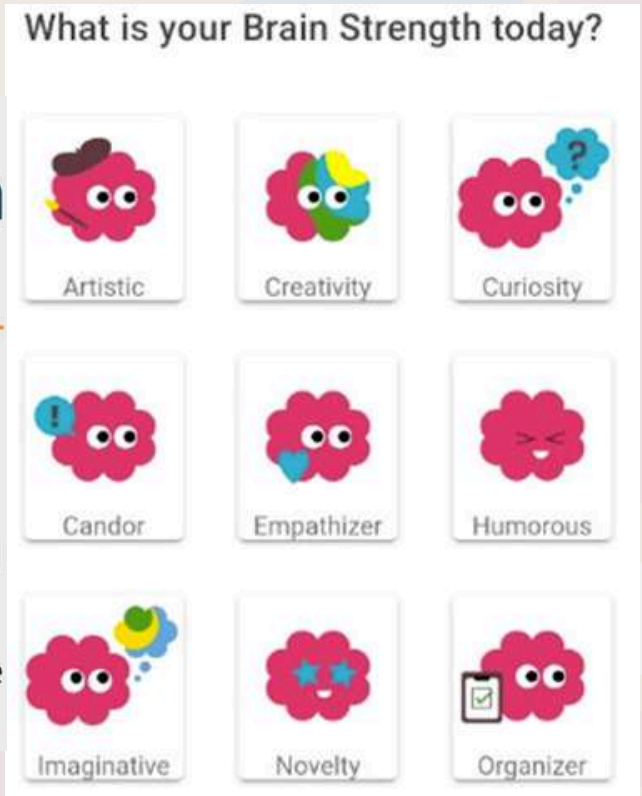

16th - 22nd March, 2026

Neurodiversity Celebration Week

This week, we celebrated Neurodiversity Week in themed assemblies and form time activities. Students focused on they key idea of 'Awareness to Action' and were given the task of creating a poster to raise awareness.

As part of this activity, students considered the definition of neurodiversity and what strengths may come from thinking differently. Ideas were shared by students on how they can be inclusive and supportive when someone who is neurodiverse needs something.

SPARX LEADERBOARDS

Well done to our current leaders!

Success

PE Spotlight: School Swimming Gala Event

On Thursday 5th March, 16 students took part in a school swimming gala held here at John Port.

They all swam an individual 50m event as well as all swimming in a Freestyle relay and a Medley relay, with the added 8x25m cannon at the end.
John Port swam against two John Taylor High School Teams, as well as Paulet High School and Deferrers High School.

We won the event with 105 points winning 13-1st places, 6-2nd places and 4-3rd places.

This was such a fun gala and all the students enjoyed doing what they do best!

Huge congratulations go to our Junior and Senior team: Millie P, Charlotte W, Thea K, Freya G, Thomas B, Jiaxiang Z, Gabriel O, Issac K, Keira P, Maya T, Pippa R, Megan P, Harry T, Harry W, William M and Thomas B.

An amazing achievement! Well done!

Act

with care, kindness, respect and integrity

Year 12: Bold Voices Student Project

At John Port Spencer Academy, a group of seven Year 12 students are currently working with Bold Voices, an educational organisation that delivers workshops, talks, and online resources to schools and universities. Their work focuses on supporting young people, parents, and educators in promoting an education free from misogyny, inequality and gender-based violence.

Bold Voices believes that “the power to transform cultures of inequality and violence lies with future generations.” By working collaboratively with students from different schools and backgrounds, the programme creates a safe space for open discussion and encourages young people to become positive advocates for change.

Through this programme, our students meet weekly with Bold Voices and students from other schools to explore topics such as misogyny and gender equality. They also meet regularly with **Mr Fisher** and **Mrs Vann** to reflect on the sessions and consider how the learning from the programme can help inform positive changes within our school community.

Act

with care, kindness, respect and integrity

Year 12: Bold Voices Student Project

Our students have been carrying out their own research project on attitudes towards gender and subject choices within school. This has included conducting interviews with teachers and gathering feedback from students through a recent survey. We would like to thank everyone who took the time to complete the questionnaire – your responses have been extremely valuable in helping students understand experiences and perspectives within the school. The students plan to use this feedback to create a Personal Development lesson tackling the gender stereotypes involved in GCSE and A-Level subject choices.

Some of the students involved have shared their reflections on the programme:

"Bold Voices has given me the tools to make a difference and have a powerful voice within my school about something I am passionate about."

"It has enhanced my understanding of how prevalent misogyny can be among people our age."

"This programme has helped us develop our knowledge and interest in the issue of gender discrimination."

"We hope to see positive changes in our school after presenting our final project."

If you would like to learn more about this project, please feel free to contact **Mr Fisher** or **Mrs Vann**. If any student has experienced issues relating to misogyny or gender-based harassment, we encourage them to speak to a member of the **Safeguarding Team**, who are always available to offer support.

Act

with care, kindness, respect and integrity

GENDER INEQUALITY

MAKING A DIFFERENCE IN OUR SCHOOL

81.3% of students said that gender influenced their subject choices for their A-Levels and GCSEs

83% have noticed a gender imbalance in their subject choices.

As Bold Voices ambassadors we strive for gender equality and we feel that you shouldn't feel restricted by gender biased subjects.

Contact a subject specialist teacher, your Head of Year or a member of SLT for support and guidance.

Mr Fisher: CFisher@johnportspencer.org.uk

Mrs Vann: AVann@johnportspencer.org.uk

Bold Voices

The John Port Experience

JPSA Netball:

The JPSA Netball teams have had a busy year of training sessions, Friendly, League & Festival matches with some great wins along the way. Most weeks have seen sixty students at training. This week saw all four teams playing in their final matches of the season. On Tuesday the Y9 & U16 teams played against John Taylor High School, winning both matches (Y9 20-11 & U16 22-18). On Wednesday it was the Y7 & 8 Teams turn in their matches against Oldfields, which despite the sunshine and high spirits, we unfortunately lost.

We would like to say a huge well done to all of our Netballers this year, whether on our teams or simply coming along to Netball training every week and committing to getting involved and active.
Mrs Weightman & Mrs Watts

After Easter, our focus will turn to Rounders for the Summer Term with training on Tuesday's after School. If you are interested in joining the Rounders teams, please come along to the first session on Tuesday 21st April.

Cooking Club Bake Off

Well done to the Year 8 and 9 students who have completed 6 weeks in cooking club! They finished off with another bake off, with Mrs Vann, Mrs Smitton and Mr Bee judging the winners. A huge thank you to Max S in Year 13 for assisting Mrs Wilkins with the cooking club.

1st-Star baker: Holly E yr 8
2nd - Sophia M yr 9
3rd - Daniel T yr 9

Best Tasting: Logan F yr8
Most Creative: Jayden A yr8
Best Presentation: Rami A yr8

Mrs Wilkins would to thank the PTA for providing funding for star baker badges, star pin badges, chocolate, and specialist equipment to enrich our students experience.

If you would like to take part in the next 6 weeks after Easter, please pop to Derwent food before form time to add your name to the list. Year 8 and 9 only. Limited space is available.

English Schools Cross Country Championship

The photo below is from the English Schools Cross Country Championship which were held at Sefton Park, Liverpool.

Jacob D (far right) finished an incredible 11th in the Junior Boys race and is now first reserve for the schools international in Bangor. Henry H (middle) and Theo J (left) competed in the Senior Boys. Henry finishing 209th and Theo in his first year at the Championships finished 310th.

Well done to all 3 boys on qualifying for the event and representing Derbyshire Schools so well.

Easter Bake Off Bonanza

As Easter approaches, it's the perfect time to get creative in the kitchen! Baking Easter cakes is not only a delicious activity but also a great way for students to learn new skills, practise teamwork, and enjoy a bit of seasonal fun.

Why Bake at Easter?

Easter has a long tradition of special foods—hot cross buns, simnel cake, and chocolate treats. Baking together helps children understand cultural celebrations while developing confidence and independence. Plus... who doesn't love cake?

1. Mini Egg Chocolate Nest Cakes

No oven needed! Simply melt chocolate, mix it with cornflakes or shredded wheat, scoop into cupcake cases, and top with mini eggs.

2. Lemon Drizzle Spring Cake

A light, fresh cake that's perfect for spring. Decorate with icing, sprinkles, or small edible flowers for a seasonal touch.

3. Decorate-Your-Own Easter Cupcakes

Bake plain cupcakes and let children decorate with piped icing, marshmallows, pastel colours, or Easter-themed toppings.

Skills Students Learn Through Baking

Baking supports a wide range of learning skills, including:

- **Maths** – measuring, weighing, timing
- **Science** – understanding how heat changes ingredients
- **Creativity** – decorating and designing
- **Life skills** – following instructions, organisation, hygiene
- **Teamwork** – working together in pairs or groups

Our food lessons continue to encourage students to explore these skills in a fun and practical way.

Top Tips for Easter Baking at Home

- Always start with clean hands and surfaces.
- Read the recipe all the way through before you start.
- Get an adult to help with the oven or hot ingredients.
- Don't worry if it isn't perfect—baking is all about learning and enjoying the process!

Share Your Creations!

We'd love to see what students bake this, Easter. Families can send photos of their Easter cakes to chill@johnportspencer.org.uk - we look forward to seeing your wonderful creations!

Easter Bake Off Bonanza

To get you started please find below a delicious Easter Cup Cake Recipe:

Your ingredients needed for the cakes

125g unsalted butter
125g caster sugar
3 large eggs
125g self raising flour
2 tbsp semi skimmed / whole milk
1 tsp vanilla extract
12 muffin cases or 12 small cake cases.

75g unsalted butter
1 tsp vanilla extract
225g icing sugar
25 ml milk
A packet of Mini Eggs

Easter Cakes

Part 1

1) Preheat the oven 180C or Gas Mark 4
2) In a mixing bowl cream the butter and sugar together until the sugar is completely absorbed in the butter
3) Crack the eggs into a measuring jug and thorough mix
4) Add a small amount of egg and a small amount of flour gradually to the mixing bowl and beat thoroughly until the egg and flour have been used up
5) Add 2 tbsp milk and 1 tsp vanilla extract and mix thoroughly
6) Spoon the mixture evenly into 12 muffins cases of 12 small cake cases
7) Place muffins in the oven for 15 to 20 mins

Part 2

1) Place the butter and icing sugar into a mixing bowl and mix together until your create a butter cream
2) Add the milk and mix thoroughly
3) Place in a piping bag and pipe onto the 12 cakes
4) Add your mini eggs to decorate

Joy Progress Success Act with care, kindness, respect and integrity

Attendance Matters

At John Port Spencer Academy, our whole-school attendance target is 96%.

Our current year to date attendance is 92.93%.

While this shows many positive efforts from students and families, it also highlights that we still have work to do together to ensure every student is accessing their learning as regularly as possible. Every lesson attended supports progress, confidence, and wellbeing, and even small improvements can make a big difference over time.

Attendance Heros!

Each week, we will be sharing an Attendance Leaderboard to celebrate our attendance heroes across the academy. This will recognise the registration form with the best attendance in each year group.

YEAR	FORM	ATTENDANCE
7	7L	96.97%
8	8H	96.75%
9	9J	96.97%
10	10H	96.87%
11	11E	97.35%
12	12M	95.35%
13	13X	99.22%

Weekly Tip for Families: Avoid the "Just One Day" Mindset
It can be tempting to think that one day off here or there won't make much difference. However, small gaps add up over time and can affect learning continuity.
Prioritising every school day supports both academic progress and wellbeing.

Joy Progress Success Act with care, kindness, respect and integrity

Attendance Matters

Seasonal Reminder: Attendance expectations before Easter half term

As we approach the final week of term before the Easter half term break, we would like to remind everyone of the importance of maintaining strong attendance. We understand this can be a busy seasonal period; however, it is essential that students continue to attend school every day as important learning, assessments, and end-of-term activities are still taking place.

Regular attendance ensures that students stay on track with their learning, Take part in all end-of-term activities and maintain positive routines and good habits.

We kindly ask for your support in ensuring your child attends school punctually each day during this final week.

Thank you for your continued support. We wish all our families a happy and restful Easter break.

Support Is Always Available

Half term can be a valuable opportunity to rest and reset, but it can also be a time when worries about school become more noticeable for some young people. If your child has been feeling anxious about attending, struggling with friendships, or finding aspects of school challenging, the break can be a good time to talk and reflect together.

Please remember that support is always available. If concerns come up over the holiday, you are very welcome to contact us. Early communication helps us ensure that students feel confident, supported and ready to attend from the first day back.

We are here to work in partnership with you, no concern is too small.

Gentle reminder on absence reporting

Student absence can be reported to attendance@johnportpsencer.org.uk or alternatively you can call 01283 291018. Please only send any absence notifications or leave of absence requests to the above email address. If your child is in sixth form, then please email sixthform@johnportspencer.org.uk

If you have a holiday planned for the easter break that will overlap with term dates, please fill out the 'leave of absence' form and email it to the relevant email addresses above.

Careers

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

Listen to this newsletter

OPPORTUNITIES

The Students' Guide to University 2026 will allow you to make an informed choice about university. It includes articles to help you decide whether university is right for you, what you should study, and where you should study it. Contributions have been provided by over 80 university representatives from across the UK.

Degree Apprenticeships 30 Minute TV Programme is a helpful introduction for Sixth Form students and parents. The programme explains what degree apprenticeships are, which ones are available, and how they compare to a traditional university route.

Here are some apprenticeships opportunities that have opened recently that you might be interested in:

- Morgan Stanley (with Multiverse) Opportunities across research, operations, human capital management and more.
- EY – 2026 Apprenticeship Programmes. Launch a career in business, finance or technology. Earn while you learn and gain real client experience with dedicated support.
- Sir Robert McAlpine Apprenticeships combining experience on landmark projects with recognised.
- Stronger Starts Maintenance Apprenticeship. is a 18-month programme sets you up with the skills you need for everyday duties in maintenance jobs.

The British Science Week poster competition takes place every year and invites young people from across the UK to take part. In 2026, the competition theme is taking curiosity to the next level! We're working with a team of scientists and researchers who are curious about what children and young people think will make a 'good'/'positive' childhood in the future. The competition is now open for entries; the closing date is 6 pm on Thursday 16 April 2026.

T Levels are a qualification choice that follow GCSEs and give students a head start towards the career they want. They suit students who wish to start working towards a skilled occupation, prefer a practical approach to learning and want a predominantly classroom-based course.

JOB OF THE WEEK

CNC Machinist

A CNC machinist is a skilled technician who sets up, programs, and operates computer-controlled machinery (lathes, mills, grinders) to produce precision metal or plastic components.

They interpret technical drawings, select tooling, and ensure strict quality standards for industries like aerospace and automotive.

LABOUR MARKET INFORMATION FACT

The highest paid jobs in the UK are:

- Chief Executive Officer (CEO): £97,000–£250,000+
- Surgeon: £53,000–£114,000+
- Anaesthetist: £103,000–£122,000+
- Investment Banker: £50,000–£150,000+
- IT Director: £80,000–£150,000+
