Celebrating Joy, Progress, Success & Acting with Care and Kindness

Friday 23rd October 2026

Dear Parents/Carers and Students

The first half term of the academic year has been exceptionally positive, with students demonstrating our core values of Joy, Progress, Success and Acting with Care, Kindness, Respect and Integrity.

As we conclude a highly successful first half term, I would like to recognise the invaluable role of parents and carers.
Strong partnerships between home and school are essential to ensuring the best outcomes for our young people. We greatly value the feedback, encouragement and support provided by parents and carers, which helps us continually improve and strengthen our provision. By working together, we can ensure every student is supported to achieve their full potential and continue to thrive both academically and personally.

Parent/Carer Feedback Form - Half Term 1

I would be grateful if you could take a few moments to complete our parent/carer survey. Your feedback helps us to celebrate what is working well, identify areas for further development, and continue strengthening the partnership between home and school to provide the very best experience for every student.

Celebrating Positive Recognition Across the Academy

A Fantastic Start to the Year!

It is hard to believe that we have already reached the end of our first half term!

The last seven weeks have flown by, and we are incredibly proud of the positive start our students have made to the academic year.

Our students have truly embraced our values of Joy, Progress, Success and Act, and this is reflected in the incredible **111,891 positive behaviour points** awarded so far this year.

Positive Behaviour Points by Year Group

Year 7: 28,768 positive points
Year 8: 23,570 positive points
Year 9: 16,861 positive points
Year 10: 19,501 positive points
Year 11: 16,892 positive points
Year 12: 3,779 positive points
Year 13: 2,520 positive points

A special congratulations to Year 7, who are currently leading the way, closely followed by Year 8. Together, these year groups have made an outstanding contribution to our positive school culture through their commitment to our values of Joy, Progress, Success and Act.

Joy

You Said, We Did

At John Port, we value student voice and believe our students should help shape school life. Earlier this term, students told us they wanted to see more Golden Ticket draws and reward opportunities. We listened and introduced our Weekly Mini Golden Ticket Draws.

Over the seven-week half term, 70 students have been selected as winners, receiving a Jump the Queue Pass and sweet treats as a reward for consistently demonstrating our values of Joy, Progress, Success and Act.

In addition, every Golden Ticket awarded this half term was entered into our Main Golden Ticket Draw, giving students even more opportunities to be recognised and rewarded for their positive contributions to school life. Winners received a £10 Love2shop Voucher.

Rewards Breakfast and Bronze Reward Badges

We are delighted to celebrate the success of our rewards programme. Over 40 students have achieved their Bronze Reward Badge, recognising their commitment to positive behaviour, effort and achievement throughout the term.

These students, along with other high-achieving students, will be celebrated at our Rewards Breakfast, where we recognise those who consistently demonstrate our school values and contribute positively to school life.

Year 13 Biology Investigations

Do woodlice prefer the dark or the light? Damp or dry conditions?

Our Year 13 Biology students have been investigating these questions as part of their A-level required practical on animal responses to environmental conditions.

Using a choice chamber, students created four different habitats: dark and damp, dark and dry, light and damp, and light and dry. They carefully observed and recorded the movement of the woodlice to discover which conditions they preferred.

The investigation doesn't stop there! Students will now use statistical analysis to determine whether their results are significant and draw evidence-based conclusions about woodlice behaviour.

A huge thank you to our brilliant lab technicians for helping to prepare the practical, and to the students who helped collect the woodlice. Animal welfare was a priority throughout, and **no woodlice were harmed during the investigation!**

Year 8 Create Golden Ticket Dishes

Our Year 8 students have completed another one of our new recipes for this academic year - Vegetable Frittatas. This dish allowed the students to continue to refine their knife skills and introduced the scientific process of coagulation - an excellent job!

This week, Year 8 have also produced some lovely Beef / Lamb Enchiladas - focusing on presentation skills.

Miss Hill, Mrs Wilkins and Mrs Doherty have also given out loads of Golden Tickets celebrating fabulous work - designing and making a healthy pizza - we are so proud of you all!

Well done Year 8!

I feel it

by Hannah B

It hits me when I'm out,
It pains me once I'm in,
I feel it when I'm about,
Like a weight on a whim.

As if a heavy breeze ran past,
Capturing what was left of me-
Whatever that was.

Would it survive the harsh winds of whines?
Could it deal with the howling uncertainty
Of wanting to jump,
But being scared you can't fly?

What happened to all of the people?
Those who can soar,
Can leap,
Can climb.

People who can explore the future waiting ahead,
Them who don't fear them winding up dead.

I sometimes wonder if that could be me,
But all I ever do is feel it,
I feel it so deeply.

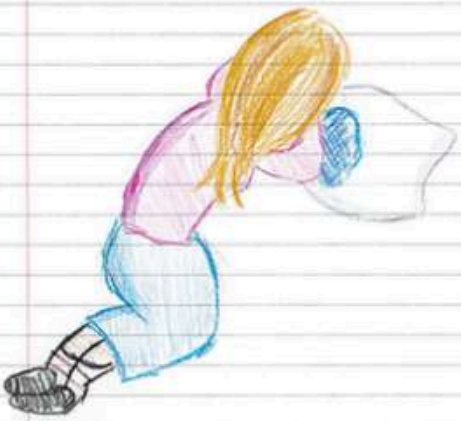

When I'm out,
Even when I'm in,
I want to be able to fly.
To take off with the wind.

A poem / Haiku

One spray of perfume

Two hearts entwined by a string

A pillow wet with tears
One word of violence
Two hearts hanging by a thread
A throbbing silence.

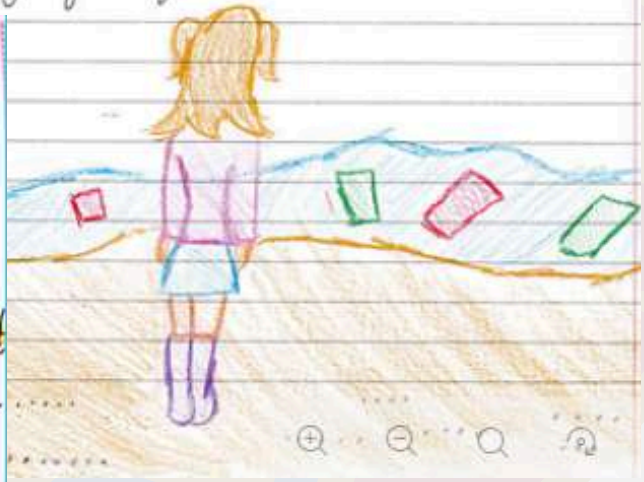

A salty damp smell

The blue sapphire calls you

Drowning in your own guilt

Look out towards now
What do you see now? Is it good?
No, its Pollution.

Are you sorry now?
No an endless loop surrounds
Drowning yet again

Ice skating poem
for compotition!

Ice skating is a glorious sport,
Its lots and lots of fun.
It takes a long time to be ~~taught~~ taught
Lets hope the ice dont melt in the sun.

There's Jumps leaps & twists & turns
That is endless compotitions
Just make shore you dont get: an ice bum
Also avoid repetition.

Dizzy, Dizzy when spinning, spinning
loads of dressed so many choices
your tired feet will be killing, killing
before the show dont eat oysters.

YMCA Harvest Update

A huge thank you to our Student Leadership Team for their outstanding work in organising this year's Harvest Festival. Through assemblies delivered to all year groups, they promoted our school values of acting with care, kindness and integrity and encouraged students to support those in need within our local community.

Thanks to the generosity of our students and families, a fantastic collection of donations was gathered and collected by the YMCA today. These items will help support vulnerable people across our local area.

If you would like to find out more about the valuable work of the YMCA and ways you can support their efforts, please visit: https://ymcaderbyshire.org.uk/

Yom Kippur Assembly

Our Student Leaders have been busy preparing assemblies throughout the year on different faiths and religions, helping to promote our British Values of Mutual Respect and Tolerance. This week, students across the academy took part in assemblies focused on Judaism, exploring the values, traditions, and contributions of the Jewish community in Britain, led by Mrs Bow, Mrs Kniveton and Mrs Swift.

Students learned about Yom Kippur, the Jewish Day of Atonement, and reflected on the importance of forgiveness, kindness, and making positive choices. Through these discussions, our school community has considered how we can all show greater understanding, respect, and compassion towards others in our everyday lives. Thank you to our Student Leaders of Diversity in raising awareness, understanding and an appreciation of Judaism.

New Club Spotlight!

To encourage students to feel more confident with public speaking, Miss Coxon is starting a Debate Club for **Year 10s** and **Year 12s** during lunchtime on Mondays in C18 !

At first, lighter topics will be discussed such as 'Who is the best Marvel character?' but will eventually move on to more topical subjects once everyone feels confident and comfortable.

Reading and Writing Club

Our KS3 students have been embracing their creativity at Reading and Writing Club. They have been exploring a range of spooky tales, discovering what makes a gripping story and using these ideas to inspire their own original pieces of writing. It has been wonderful to see their imaginations come to life as they develop their storytelling skills and create some tales of their own! Next week will be our last spooky tales themed session before moving onto our Christmas theme after our half term holiday.
